

CONTRARY TO WHAT YOU MAY THINK FROM THE TITLE (IT SOUNDS A BIT LIKE AN 'URBAN' OR A 'BROKEN BEAT' ALBUM), THIS IS ACTUALLY A SUPERB COLLECTION OF SLOVAKIAN EXPERIMENTAL ELECTRONICA TRACKS. PROPS TO THE LABEL FOR A START FOR RELEASING SOMETHING LIKE THIS ON VINYL IN THE FIRST PLACE AND ALSO PROPS FOR GETTING TOGETHER A CLASS SELECTION. THE ARTISTS ARE JAMKA, URBANFAILURE AND RBNX AND IT'S A TRULY DENSE AND VARIED COLLECTION THAT WILL CHALLENGE YOU AURALLY AND MENTALLY, BUT WILL NO DOUBT ENCHANT YOU AT OTHER TIMES. GLITCH, MINIMALISM, PURE NOISE AND MORE ALL FEATURE AND I'D HAVE TO SAY THIS ONE COMES RECOMMENDED. EXCELLENT.
